EXPERIENCE

JAVASCRIPT ACCELERATED COURSE | Denver, CO | Oct 2017 - Oct 2017

Teacher's Assistant

- Coached students through questions and problem solving.
- Conveyed basic JavaScript concepts to beginners in a digestible way.
- Debugged problems students were having with their code.
- Led small group discussions over topics covered in class.

JOHN T. MATHER HOSPITAL | Port Jefferson, NY | Nov 2014 - Jul 2017

Certified Nursing Assistant

- Awarded "Top of the Wave" award for outstanding work.
- Collaborated with a team to ensure great quality of care for our patients.
- Focused on attention to detail to assure patient safety and health.
- Wrote clear documentation for other coworkers on patients' change of conditions and daily activities.

HARMONY POINTE | Lakewood, CO | Jan 2014 - Jul 2014

Certified Nursing Assistant

- Ensured efficient execution during periods of high volume to provide quality patient care by effectively managing my time and schedule.
- Adapted to new assignments quickly and communicated vital information between members of the team.
